**Message of Pope Leo XIV's
For the 34th World Day of the Sick - February 11, 2026**

Dear brothers and sisters, “the true remedy for humanity’s wounds is a style of life based on fraternal love, which has its root in love of God.” I genuinely hope that our Christian lifestyle will always reflect this fraternal, “Samaritan” spirit – one that is welcoming, courageous, committed and supportive, rooted in our union with God and our faith in Jesus Christ. Enkindled by this divine love, we will surely be able to give of ourselves for the good of all who suffer, especially our brothers and sisters who are sick, elderly or afflicted.

Let us raise our prayers to the Blessed Virgin Mary, Health of the Sick, asking her to assist all who suffer and are in need of compassion, consolation and a listening ear. Let us seek her intercession with this ancient prayer, that has been invoked in families for those living with illness and pain:

Sweet Mother, do not part from me.
Turn not your eyes away from me.
Walk with me at every moment
and never leave me alone.
You who always protect me
as a true Mother,
obtain for me the blessing of the Father,
Son and Holy Spirit.
