Demanding fairer policies in Tunisia

Resource mismanagement and unfair international conditions trap Tunisia in debt. Development and Peace — Caritas Canada's partner, the Tunisian Economic Observatory (OTE), analyzes the country's debt policies, and informs Tunisians about economic issues, enabling them to demand fairer and more equitable policies to promote sustainable development that benefits everyone.

This Lent, discover the work of OTE by reading our [Mini-magazine](https://devp.org/lent/resources) at devp.org/lent/resources.
