MASS MINISTRIES:

The role of the **Lector** is to read the First Reading, the Responsorial Psalm, the Second Reading the Gospel Acclamation and the Prayers of the Faithful. You should try to arrive a few extra minutes early to locate these readings in the book. Do not be shy to ask Father Marek for guidance! Lectors are requested to sanitize their hands prior to going to the ambo to read. There is hand sanitizer located near the side exit door.

Ushers will primarily be responsible for taking up the collection. Because there is no singing and no Offertory Procession, it should be done quickly. Offerings collected are simply deposited into the collection box.

Greeters need to arrive early for mass as people start to arrive at least 20 minutes before mass. Please welcome everyone and guide them in hand sanitizing requirements and pew sanitizing before and after mass. Once the church has cleared at the end of mass, please use a Lysol wipe to quickly wipe door handles, washroom light switches and any other "high touch" areas in the entrance area that you notice.
